

# Fair Trade Holiday Season Fundraiser

## More Than Just Coffee!

For the holiday season, you can share the wonderful fair trade organic coffee from Bean Fair with your family, friends and colleagues. This is the same coffee regularly enjoyed by the Lady Evelyn Coffee Club members. Just for the holiday order, you can also buy coffee in 1/2 pound festive foil bags, boxes of tea, and scrumptious chocolate! All of these make fantastic presents, and great last-minute hostess gifts. Last year, this fundraiser earned over \$500 to support programs at Lady Evelyn, even though you pay less than regular retail for the products! It's a real win-win.

**About the Coffee:** Help support programs at Lady Evelyn, and at the same time help Mexican and Peruvian farmers make a better living for their families. Bean Fair Coffee, one of Canada's first certified fair trade companies, is based locally in Wakefield, Quebec. Bean Fair Coffee is certified organic (no chemical pesticides or fertilizers) and Fair Trade (visit [www.transfair.ca](http://www.transfair.ca) for more information). It is shade grown between other plants which means important habitat is provided for birds and other wildlife.

The regular beans come from a co-op in Chiapas, Mexico and are roasted locally in small batches. Cutting back on caffeine? The decaf from Peru is naturally processed using high-pressure CO<sub>2</sub>. You won't believe it's decaf!

Note from Fundraising Committee: Bean Fair kindly donates coffee for Lady Evelyn family events and school council meetings.

Orders will be ready by December 16<sup>th</sup>.

### IMPORTANT!!! INSTRUCTIONS FOR FILLING OUT THE ORDER FORM:

Sorry that the form is complicated, but people are fussy about their coffee so there are a lot of options. Select the type of coffee you would like (first column), fill in the number of bags you want, then indicate which options you want with a check mark. There are extra lines in case you want more than one set of options. For example, say you want two pounds of Bean Fair Blend to use at home and four 1/2-pound gift bags, you might pick these options:

Bean Fair Coffee Order	# of Bags	Weight		Grind		
		1 lb	1/2 lb	whole bean	regular grind	fine grind
Bean Fair Blend	2	x		x		
- blend of both roasts	4		x			x
1 lb=\$14 / 1/2lb=\$7.50	Sub-total:	\$28	\$30			

Please be sure to select the weight and grind for each kind of coffee you order. We will double-check to make sure we get your order right! Questions? Call Sherry Lynn Page at 613 730 1622 or email Robin McLellan at [robinm@magma.ca](mailto:robinm@magma.ca)

# \*\* Orders must be returned to the school by December 6<sup>th</sup> \*\*

(Late orders can only be accepted if they are hand-delivered to the office before 12pm on December 7<sup>th</sup>.  
As Friday is a P.D. day
