

Lady Evelyn Alternative School Council News

Welcome to a new school year at Lady Evelyn Alternative School. There are a variety of events already planned (listed below) and some are coming up fast.

This information package includes our school volunteer form and sign-up sheets for our 'Pizza Days' and 'Coffee Club' fundraising programs. Please note the deadlines for these programs and make sure that you have your response back to the school on time.

The school council wishes to represent all parents at the school but we can only do so with your participation and feedback. Whether you want to help out with one of the events already scheduled, or look into setting up something new, please come to a council meeting or talk with a council member and

share your thoughts. Council meetings are the forum for making decisions about how parents will raise money and what programs we will fund with the proceeds, as well as further cultivating the alternative nature of our school. A listing of members of the school council can be found on the reverse of this letter.

Please visit our website at <http://www.ladyevelyn.ca> and check out what's going. Follow the links under 'News & Forums' to subscribe to the school council email list and you will receive reminder notes about upcoming events and news about emerging issues that affect the school.

Thank you and welcome (or welcome back).

Upcoming Events
